

William Weaver

August 18, 1957 - December 3, 2018

The world now turns a little bit slower. William “Bill-Bill” Weaver, age 61, of Carlisle, passed away Monday, December 3, 2018 at Sycamore Medical Center, after complications from surgery for colon cancer. He was born in Middletown, Ohio on August 18, 1957 to Roy and Dorothy Weaver. He was preceded in death by his father. Bill has two sisters and brothers-in-law, Teresa and Eddie Crowe and Karen and Anthony Motley. He loved his niece, nephews and their families: Jessie and Josh Hoban, Steffan Crowe and his fiancé Kaille Phong, Mason Motley, Grant Crowe, and Marshall and Madison Motley. He especially loved his great nieces and nephew Maggie, Lilly and Sam Hoban.

Unfortunately, Bill’s mother will not be able to attend the service as she is in a nursing home. However, she will be there in spirit. She was the exemplary mother who took wonderful care of Bill for 58 years...and no one has ever loved Bill more than her.

Bill always brought a smile to the face of the people who knew him. He held a special place in his heart for everyone. He was especially fond of Joanne and Doug Byers, Heather and Jim Wiseman’s family and very special neighbors Earl, Colie and Becky McCarty. Chrissy Oldfield was also a very special friend who, for four years met him as he came home from PSU (his workshop) every afternoon and cared for him deeply.

Bill loved life itself. He loved, LOVED 1960s music and 1960s cartoons. You never saw him without a radio in his hand...either a GE SuperRadio or a little transistor radio “for the road.” He also had a passion for OSU football, the Cincinnati Reds, Bengals and, yes, even the Browns. 😊

Bill loved all celebrations...birthday parties, parades, and holidays, especially Christmas! To honor Bill at his funeral, you are requested to wear a shirt that Bill would have loved, such as a shirt with a Looney-Toons character or perhaps a shirt with your favorite baseball or football team.

Bill was not really a “flower” kind of fella. So please, please in lieu of flowers, make a contribution in Bill’s memory to Production Services Unlimited (Bill’s workshop) and the money will be used to help other people just like Bill. (Production Services Unlimited, Inc., 575 Columbus Ave., Lebanon, OH 45036)

Funeral services will be held at 1:00 pm Friday, December 7 preceded by visitation from 11:00 am - 1:00 pm at Anderson Funeral Homes, 40 North Main Street in Springboro with

“ I had the pleasure of being Bill Bill's cousin. He was loved by everyone that he had any contact with. Although I never got to see him a lot due to busy lives, I always enjoyed the time we did get to visit at family gatherings. He has 2 of the most amazing sisters that loved him unconditionally and took excellent care of him when their mother no longer could. I love you all! Cousin Martin.

“ Teresa and Karen, so very sorry that I could not attend the service due to work. I have so many great memories of Bill Bill while growing up and spending a lot of time in your household, especially Speed Racer and Niagara Falls. He was never “different “ to us, we all just loved and enjoyed him. I know a hole has been left in the lives of you and your families, hopefully to be filled with all the great memories. He will be greatly missed by many. Much love to you all.

“ I shared my life with Bill for many years. With the many changes that time inevitable brings, Bill and I spent more of our work days together. It began one day, Bill began visiting the group I worked in to hang out. Eventually, while I was doing paperwork, Bill got up and stood beside me. When I asked him what he needed, he said , "A hug". That was the beginning of our end of the day hugs.
He eventually landed in the group I was working in, or, maybe I was moved to his group. Regardless, our start of the day dialogue sounded something like this...
Me: Mr. Weaver. It is my job to encourage you to drink sugar-free pop, but what you do with your money is...
Bill: My Business.
Me: Enjoy your Coke.
We also wrote letters to the ACME company on Wile. E. Coyote's behalf to get faster rockets to get the road runner. Enough already!

For years, I wasn't on Bill's "list"

. Somewhere around#27?!

My last two years at PSU I moved in rank to#4. Love. Mutual love for a person that brought great joy to my days, and 1/3 of my life.

Heaven is a place of unlimited Coke, World Series Champs Cincinnati Reds and unlimited WLW radio. Rest in peace, my friend.

My love, prayers and condolences to Bill's family and extended family.

“ Bill was such a kind person who I kinda grew up with once Eddie and Teresa started dating a lifetime ago. I always respected his mind in the way he would remember things he heard on his radio. He was a person that was passionate about the simple things in life like cartoons, sports, music, and food. I took a job as coach my first two years at John Glenn High School and they created a position to teach a 16 year old student that had some adversities and disabilities. Even though I was trained I went into my days trying to get him to be like Bill, the boy I had been around since I was 12. The kid that even though in the world's standards was limited, he took that adversity and with love gave all of us in Carlisle an example to live by. So happy I had Bill and the Weaver family in my life. They are the best and I will miss Bill.

“ Hi my name is Lindsay Bogan. I had the pleasure of meeting Bill when I came to work at PSU workshop over the summer. Bill was always in a happy mood and music led to our special bond. He arrived to PSU before most of his friends and he would come sit by me with his radio and tell me the morning weather report as well as the latest news about his favorite sports team. Bill also liked to bring me his radio and we'd sing songs in the afternoon, he was a big fan of Elvis. Bill made my days brighter at PSU and for that I can't thank him enough. His friends, PSU staff and I will truly miss him. Rest In Peace "Mr.Weaver"

“ I'm so sad. I know Bill Bill was one of the most loved humans I've ever known. Growing up together I have so many hilarious memories but I know he's with his family in heaven right now with radios and lawnmowers and batteries and pop and cookies. He had nick-names for us all and I'll never forget his loving ways. You will be missed and your family will always love you. Love, your cousin, "Big Legs"
